

**FACTS**  
**EST. \$550 million**  
*Jan. 6, 2018, draw*

***JACKPOT INFO***

1. The estimated Powerball jackpot for Saturday, Jan. 6, is \$550 million. Players can choose to receive the jackpot in 30 graduated payments over 29 years or in one cash payment. Jackpot winners have 60 days from the winning draw date to choose cash or annuity payment. After 60 days, unclaimed jackpot prizes can only be claimed with the annuity payment.
2. If the winner chooses the single cash payment, he or she will receive roughly half of the advertised amount in one lump sum. Saturday's cash option would bring a single player approximately \$347.9 million in one payment, before taxes.
3. The Missouri Lottery withholds 25 percent federal and 4 percent state taxes for a total of 29 percent.
4. The Saturday night draw will be the 21st drawing since the jackpot was last hit on Oct. 25 for \$191 million. That ticket was sold in Eunice, Louisiana, and was claimed by 292 Family Partnership.
5. This is the sixth-highest Powerball jackpot ever offered.

- There are 47 members in Powerball: Arizona, Arkansas, California, Colorado, Connecticut, Delaware, D.C., Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Montana, Nebraska, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Virginia, Vermont, the Virgin Islands, West Virginia, Washington, Wisconsin and Wyoming.

**WHERE THE MONEY GOES**

Approximately 68 cents of Lottery purchases are returned to players in prizes, and about 21.7 cents goes toward funding for Missouri’s public elementary, secondary and higher education.

Retailers who sell Lottery tickets receive approximately 5.8 cents of every dollar and about 4.5 cents is used for administrative costs.

### ***HOW TO PLAY***

- Pick five numbers between 1 and 69. Then pick one additional number between 1 and 26 as the Powerball.
- Players can win nine ways on Powerball, ranging from the jackpot down to \$4.
- If your Powerball number matches the Powerball number drawn, you win a prize. Without the Powerball number, you have to match at least three of the other five numbers to win a prize.
- The overall chances of winning a prize in Powerball are 1 in 24.87.
- Powerball players can also increase their non-jackpot winnings up to 10 times using the Power Play feature when the jackpot is between \$40 and \$150 million and up to five times when the jackpot is higher. For \$1 extra, players can automatically win \$2 million for matching all five white-ball numbers using the Power Play option, or up to 10 times the original prize for the other prize levels. See the [Powerball](#) page for more details.
- Approximately 85 percent of Powerball players use Quick Pick to select their numbers during an average period.

### ***TIPS***

- Play early to avoid long lines. The terminals will shut down at 8:59 p.m. Saturday, and no one will be able to buy tickets after that time.
- Play within your means. It only takes one ticket to win.
- When you buy a ticket, sign it immediately and keep it in a safe place. Like money, it is a bearer instrument.
- Be sure to check your ticket closely. Even if you don't win the jackpot, you may have won one of the eight other prizes in the game.
